CORONAVIRUS (COVID 19) STATEMENT

We understand that clients, purchasers and staff are worried and cautious about the corona virus and we would like to reassure everyone that we're doing everything we can to help ensure a hygienic and safe environment for clients, purchasers and our own staff.

Our show home is cleaned and sanitised on a regular basis; however as an extra precaution we're also wiping down door handles, taps, toilet flushes and any other surfaces you may come into contact with. We would also advise that all of the properties presently being marketed are unoccupied and can viewed within the social distance criteria recommended at 2 meters. Self-viewing can also be arranged if preferred. Face masks and gloves are provided.

We are now operating a strict pre-booking appointment system to further protect everyone. Please be assured that you can contact us via our agents, email or by phone and we'll be happy to help with any enquiries you may have. Or please visit our agent's website, our email enquiries@delane.co.uk and Rightmove or Zoopla and book your appointment to suit. Bearing in mind we'll be asking some qualifying health-related questions before confirming your viewing. We wanted to let you know that we are all taking this issue very seriously and trust you will find our approach reassuring.

Thank you and we look forward to seeing you.

Kind regards
